PROJECTS

sotbella.com, sotbella.ae, sotbella.us, sotbella.uk
Frontend Developer specializing in React-based e-commerce applications. Expert in building scalable B2C platforms with complex authentication systems, shopping cart management, and Salesforce Commerce Cloud integration. Proficient in modern JavaScript, state management, and creating seamless user experiences with token-based authentication and real-time cart functionality.

Sotbella wallet (<https://wallet-live.sotbella360.com/>)
Developed a React-based digital wallet application featuring secure authentication, wallet management, transaction history, payment workflows, account management, reusable UI components, REST API integration, role-based access, and responsive user experience.

Sotbella B2B (<https://partner.sotbella.com>)
Developed a React-based B2B wholesale website that enables business partners to browse products, place bulk orders, manage their accounts, and access partner-specific features through a secure and responsive web experience with REST API integration.

makeyourlabel.com
Frontend Developer specializing in React-based e-commerce applications. Expert in building scalable B2B platforms with complex authentication systems, shopping cart management, and multi-currency payment integration. Proficient in modern JavaScript, state management, and creating seamless user experiences with token-based authentication, real-time currency conversion, and comprehensive dashboard analytics. Demonstrated expertise in developing modular component architectures with 331+ React components, and optimized performance using Vite build system. Skilled in Tailwind CSS, and modern React patterns to deliver enterprise-level B2B e-commerce solutions with exceptional user experience.

excitpay.com
Designed modern and visually appealing UI layouts for the Excitpay platform. Created responsive user interface designs focusing on usability, accessibility, and smooth user experience. Collaborated with developers to translate UI designs into functional web interfaces.
